## LP SmartSide Coating Warranty

This warranty is effective on and exclusive to LP SmartSide Products only. If during the Warranty Period, all or a portion of finish is determined by J.M. Thomas Forest Products (in its sole discretion) to have a warrantable defect, J.M. Thomas Forest Products shall:

- a) Prior to installation, replace the affected product. If the product coating is found unsatisfactory for any reason prior to installation, the affected product **MUST NOT** be installed. J.M. Thomas Forest Products will have no warranty responsibility on products with visible coating defect that are installed.
- b) During the 1st year following installation, supply the paint and reimburse the home owner for reasonable labor costs required to repair the affected areas.
- c) During the 2<sup>nd</sup> year following installation through the end of the 5<sup>th</sup> year following installation, supply the paint for the affected area, and reimburse the homeowner a portion of their reasonable labor costs according to the following schedule. On the first day of the 2<sup>nd</sup> year to the first day of the subsequent year, 80% of reasonable labor costs shall be reimbursed. The labor cost reimbursement percentage shall be reduced by 20% in each successive year such that after the 5<sup>th</sup> year, J.M. Thomas Forest Products will have no further obligation to reimburse the homeowner for any labor costs.
